

Candidate Bio: Carol Pion

My name is **Carol Pion** and I am excited to put my name forward for **Town Councillor**.

I believe in **listening to residents, clear priorities, effective budgeting, and open communication**. Bowden deserves honest, **transparent & accountable leadership** that puts our community first.

This isn't my first time serving, I was proud to be your Councillor two terms ago, where I:

- *Chaired the Economic Development Committee*
- *Helped lead Bowden's Re-Branding with our town logo, website, and app*
- *Represented Bowden on the Central Alberta Economic Partnership*
- *Worked with groups like the Parents Advisory Committee and Volunteer Board*
- *Member of the Bowden Event Centre*
- *Supported downtown revitalization and economic development*

I also run a successful, award winning, home-based bespoke wedding cake business right here in Bowden, so I understand the needs of local families and entrepreneurs. My experience in small business and community leadership has given me the tools to solve problems, build partnerships, and keep Bowden moving forward.

Bowden is my home, and I care deeply & passionate about its future. I will work hard to make sure your voices are heard and that our town continues to grow in the right way.

I am the new face with experience, ready to chamPION change for Bowden.

I would be honoured to earn your support.
